## Walking Skirts, 2.98

Former Prices \$5.00 to \$6.50

Because we don't want to carry this season's stock of skirts over to next season, we've cut prices to the limit of lowness. The skirts are perfect fitting, correct in style and well tailored. To buy such garments at \$2.98 is the rarest good fortune to the woman who needs a new skirt.

Materials are Smart Looking Fancy Mixtures and Broken Checks, in correct fitted styles. Most of them are in desirable shades of grays and browns. Never such skirt values known before. Regular \$5.00 to \$6.50 values, at \$2.98.
